

ACADIAN DEFENSIVE INCOME FUND - CLASS A

NOVEMBER 2024

The Acadian Defensive Income Fund - Class A seeks to provide investment returns in excess of the Reserve Bank of Australia (RBA) cash rate over rolling three-year periods before fees and taxes, with a relatively low degree of volatility. This will be achieved by combining cash and fixed interest investments with long and short equity holdings chosen using Acadian Australia's equity investment process. Sophisticated portfolio construction techniques will be used to implement this in a way that limits equity market exposure.
